COMMUNITY SERVICE RECORD

Each year high school students are expected to contribute a minimum of 20 hours of community service to a non-profit organization (i.e. Food Bank, Nana's House, Special Olympics, Alzheimer's Association, March of Dimes.) Forms are available in the Front Office, on the Island School website and in the Student Activities Office. Service records are to be turned into the Dean of Students and will be kept throughout the year. Credit will be given for service hours provided outside of the school day.
